Gentlemen and Mrs. Schmidt:

Attached hereto is a copy of a resolution pertaining to one (1) zoning ordinance amendment acted upon by the City Plan Commission at their regular meeting held August 25, 1980. In addition to the reasons outlined in the resolution, the following are additional pertaining to the ordinance involved.

1. Bill No. Z-80-07-11

2. From R-1 to M-1

3. Intended Use: Garage

4. Plan Commission Recommendation: DO NOT PASS

   This ordinance received a DO NOT PASS recommendation for the following reason:

   a. The lots with frontage on Boone Street, with the exception of the two lots southwest of the corner of Boone and Cherry Street, are occupied by residential dwellings. The development of an industrial use between residential uses will cause further deterioration in an area that has received considerable attention, through the block grant, to improve residential desirablity.

If there are any questions with regard to this ordinance, please feel free to call on us.

Respectfully submitted,
